

Destination for Next Generation

About Spectrum@metro:

We at Spectrum@metro would like to take this opportunity to introduce our self as an upcoming luxurious high street commercial development at sector 75, Noida. Our project is planned as an integrated facility with office spaces, retail spaces, serviced apartments, Doctor Clinics and corporate center spanning across an area of 6 acres situated right opposite the upcoming sector 50 metro station. We have a strong background of decades of real estate experience coupled with commitment and reliability to ensure that every detail in our development is flawless. Timely delivery within the confines of statutory and regulatory procedures to surpass customer expectations is the motto of the group.

About Students Gallery:

Students in their pursuit of learning and academics have innumerable demands for products and services to fulfill their requirements be it products like books, uniforms, stationery, sports gear, or services like professional training, linguistic courses, overseas education, visa consultancies and much more.

Taking a cue from this, we at Spectrum Metro felt that the only plausible solution to this would be to change the equation and launch a one-of-its-kind commercial milestone of a "Student Mart" – A one-stop destination for all students needs from products to services. A hassle-free experience and a single destination for any and every requirement associated with student life.

Spectrum@metro, an upcoming high street commercial mall at sector 75 Noida offers commercial space at this innovative "Student Mart" sprawling across approximately 16,000 sq.ft on the 6th floor categorized into different zones. The functionally and aesthetically planned for varying sizes here are replete with a brilliant supportive infrastructure including high-speed elevators, separate lavatories, 24x7 power back-up, housekeeping facilities and much more. The flexible spaces here are ideal for providing a wide range of products and services essentially desired by students across comprehensive categories namely,

Now, you can purchase your own space in India's first complete destination for the prospective buyers related to education and other curricular activities.

If you come under any of the category related to this destination you could approach us to book your space.
